Dear Mr. Byerman:

Pursuant to KRS 224.01-020, the Cabinet for Economic Development is required to submit an annual report to the Legislative Research Commission on the grants, loans, expenditures, and commitments made from the Agricultural Warehousing Sites Cleanup Fund. The following information is for the period from July 1, 2016 through June 30, 2017.

No grants, loans, expenditures, or commitments have been made from the Agricultural Warehousing Sites Cleanup Fund since its inception. The fund is not effective, as there has been no appropriation of funds to allow for any grants, loans, expenditures, or commitments to be made. As a result, we can offer no recommendations at this time regarding the Funds effectiveness in recycling agricultural warehousing sites.

Please contact me at (502) 782-1987 if there are any questions regarding this report.

Sincerely,

A handwritten signature in blue ink that reads "Katie Smith".

Office of Financial Services
